

**The Blue Knights of OLS/SA finished the season in First Place with an 8-2 record and came in second place in the Playoffs.**

Your OLS/SA Girls Softball team just completed another successful season of CYO Softball! OLS/SA has been #1 in the division 4 out of the last 5 years, has been in the Championship game 5 out of the last 5 yrs and has won 4 CYO Championships in the last 5 yrs. I do not know many schools if any, with that kind of record. WE are extremely proud of our athletes. This season we had the largest amount of ladies come out to play. We started with 17 players and finished the season with 16. We also had girls who came out for the first time to be a part of what I think is the best sports programs (Basketball, Soccer and Softball) in the CYO.

There are just way too many players to mention **their individual** accomplishments. **Two** players hit Home Runs. Our infielders turned several double plays. **Our two** pitchers combined to throw 3 no hitters and **2 one** hitters. These ladies played with a great deal of sportsmanship and respect towards **their** teammates and the teams which they competed against. They also have a lot of pride in playing for **their** school. Three of our players also played for HGSA (Hamilton Girls Softball Association) and **always** played for OLS in lieu of HGSA on nights where the **two** schedules conflicted. That shows **a huge amount of** pride and dedication to their school.

I want to thank all of the players for **their** effort this season. Each one of them brought the team to be where we wanted to be in the beginning of the season..... the Championship Game! I also want to thank them and the OLS/SA Sports Committee for allowing me to be **their** coach.
