Dear Parents and Guardians

Welcome back to another great school year!

Volunteers have an important and valuable role at Our Lady of Sorrows School, whether volunteering for the school or for the PTA. It doesn't matter if you volunteer for one hour or one hundred hours over the course of the school year; any help you give is essential in enhancing the education of our children.

Besides supporting the school, your volunteer efforts teach our children the joy and obligation we all have to give some of our time to worthwhile causes. We hope you find your volunteer experience to be a rewarding one.

Our Lady of Sorrows provides various education enrichment opportunities for our students. Funding of these programs comes in part from various PTA fundraising activities and events. Numerous opportunities exist for volunteering with the PTA.

All volunteers are encouraged to attend PTA meetings, which are usually held on the second Tuesday of each month (meeting dates and times are shown on the school's calendar).

In the interest of generating invaluable volunteerism, attached please find the Volunteer Matrix for the 2010-11 school year. On this matrix you will find many different ways in which you can become involved. We ask that you please consider volunteering as much as you are able – but we realize that, for some, “spare time” is a precious commodity. Any time you can give is genuinely appreciated!

If you have any questions about the matrix, PTA committees or functions, or any other PTA questions, please feel free to contact either of us.

We thank you for your time and consideration.

Sincerely,

Georgia Baker (587-3979)
