

We are pleased to offer the 22nd annual Fundamentals Summer Basketball Camp for boys and girls in grades K-8.

Our staff has many years of coaching and playing experience. In addition to our regular staff, guest clinicians will be on hand to enhance your child's camp experience. Also, other professionals are invited to camp to speak about topics such as bullying, self-esteem, etc.

Children are grouped by age and ability to help them build confidence. We are committed to the development of young people regardless of experience or athletic ability. The camp balances instruction with fun and competition at a very affordable price. Our camper/staff ratio is no more than 10 to 1.

A week at the Fundamentals Camp includes:

- Daily fundamentals instruction
- Offensive and defensive drills
- Individual skill competition
- Team competition
- Camp Insurance
- Full-day session
- Guest Speakers
- Experienced Clinicians

- Bring lunch in a small cooler (because of Covid, refrigeration is not available), or purchase lunch from a special menu from a local restaurant in Hamilton (will be delivered daily).

Camp Staff

The first three letters in the name of the camp are F-U-N. While our goal is to teach our campers about basketball and to build their confidence & self-esteem, we also want them to have fun. Our knowledgeable staff is here to make this a worthwhile experience for your son or daughter.

Sincerely,

Vince Peroni, Camp Director
